

## WHO'S STEFANO BOLLANI

Stefano Bollani was born in 1972. He received his diploma in piano at the Cherubini Conservatory in Florence in 1993.

He made his professional debut at the age of 15 and since then has recorded many CDs and performed for major festivals around the world, at prestigious venues such as the Town Hall of New York and La Scala in Milan.

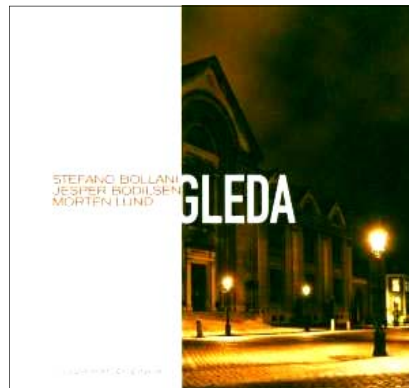

An eclectic pianist, he blends irony, Italian color and a vivid relation with his past. He performed for the Orchestra Regionale Toscana, with the pop musicians Raf, Irene Grandi, Laura Pausini, Jovanotti, Gino Paoli, Rossana Casale, Elio e Le Storie Tese and many others.

He is also involved in experimental electro-sound activities with Elliot Sharp, Zeena Parkins and Hector Zazou and in jazz with Enrico Rava, Roberto Gatto and Richard Galliano, Pat Metheny, Paolo Fresu, Dave Liebman and Tonino Horta. He also conceived and took part in theatre performances with the actor Monica Demeru, David Riondino, Sandro Veronesi and Banda Osiris.

As best jazz talent he won the readers' poll of the magazine *Musica Jazz* in 1998 and *Django d'Or Italiano* in 2000.
